- 1.1 This Board Diversity Policy (the "Policy") sets out the Board of SSP Group plc's (the "Board's") approach to diversity. The Policy is intended to assist the Board, through the work of the Nomination Committee (the "Committee"), by setting objectives for achieving board and senior management diversity, promoting the success of SSP Group plc (the "Group") for the benefit of its shareholders as a whole, having regard to the interests of other stakeholders.
- 1.2 This Board Diversity Policy is applicable to the Board only but sits alongside the Group's other group policies adopted from time to time which set out the Group's broader commitment to inclusion and diversity.

2. POLICY STATEMENT

2.1 The Board believes that:

- 2.1.1 diversity, including gender and ethnic diversity, but also diversity of experience and backgrounds, is important not only in the business generally, but also with respect to the composition of the Board;
- 2.1.2 it is important to understand and represent the views of its diverse workforce, customer base and the communities in which it operates;
- 2.1.3 by promoting diversity and inclusion in support of the Group's values, the Board and senior management are able to lead by example and promote the desired culture of the Group and an environment where colleagues can thrive; and
- 2.1.4 with the right knowledge, skillsets and a breadth of perspectives present in the boardroom, it is more likely to engage in creative decision making and innovation and to maximise opportunities for the Group's success.

2.2 Other details of the Group's practices and initiatives in relation to inclusion and diversity are disclosed in the Group's annual report.

3. POLICY OBJECTIVES

- 3.1 The Board will ensure that it is made up of an appropriate mix of skills, experience and knowledge required to effectively oversee and support the management of the Company.

3.2 The Board supports the recommendations set out in the Hampton-Alexander Review on gender diversity and while recognising that periods of change in Board composition may result in temporary periods when this balance is not achieved, the Board is committed to achieving no less than 33% female representation on the Board.

3.3 The Board is further committed to improving its racial and ethnic diversity, including meeting the Parker Review objectives by the end of 2024 calendar year.¹

4. MONITORING AND REPORTING

- 4.1.3 set measurable objectives for board and senior management diversity, including as part of this Board Diversity Policy;
- 4.1.4 when the Board wishes to appoint a director, the Committee will evaluate the balance of skills, knowledge, independence, experience and diversity on the Board. When identifying suitable candidates, the Committee should:
 - a. use open advertising or the services of external advisers to facilitate the search;
 - b. consider candidates from different genders and a wide range of backgrounds; and
 - c. consider candidates on merit and against objective criteria and with due regard for the benefits of diversity on the Board, including gender, taking care that appointees have enough time available to devote to the position; and
